
AutoCAD Drafter / Civil Technologist Job Posting

Valley Geotechnical is seeking a **Civil Engineering Technologist** to join our team in Langley, BC. This position greatly emphasizes on interactions with fellow employees, consultants, contractors, and the public.

This position will give you an opportunity to work with a diverse team of engineers, designers, drafters, and contractors from conceptual design through to final design and construction.

Your skills set

- Completed Diploma in Civil Engineering Technology or College Certificate in CAD, or an equivalent combination of experience and education.
- Registration as a GradTech with ASTTBC (or eligible for immediate registration) preferred.
- Valid BC Driver's License and own vehicle.
- Minimum two (2) years' experience working with AutoCAD or Civil 3D.
- Excellent organization and time management skills.
- Ability to communicate effectively with colleagues, contractors and clients.
- Enjoys working outdoors in varying weather conditions.
- Curious and eager to learn.
- Attention to detail.

Our commitment to you:

- Flexible health care spending account.
- Fitness time allowances.
- Safety Gear and site equipment allowances.
- Company team bonding events – fishing, boating, barbeques, lunches.
- ASTTBC certification and training/development allowance.
- Competitive compensation with year-end bonuses.

Preference will be given to applicants who have experience with civil or geotechnical drafting.

If you are interested in this opportunity and would like to join our team please send your cover letter and resume to general@valleygeo.ca.

We look forward to hearing from you and thank you for taking an interest in Valley Geotechnical.
