## Civil Engineering Draftsperson

### About Us:

Valley Geotechnical's mission, as an employee-owned company, is to listen, mentor and guide our personnel so that our clients receive the highest level of service. Our team collaborates with other engineering disciplines and clients, to build trust and certainty in all of the solutions presented.

### Position Summary:

Valley Geotechnical is seeking a **Civil Engineering Draftsperson** to join our team in **Langley, BC**.

This position will give you an opportunity to work with a diverse team of engineers, designers, drafters, and contractors from conceptual design through to final design and construction.

### Qualifications:

- Completed Diploma in Civil Engineering Technology or College Certificate in CAD, or an equivalent combination of experience and education.
- Valid BC Driver's License and own vehicle
- Excellent organization and time management skills
- Ability to communicate effectively with colleagues, contractors and clients.
- Eager to learn.

### Our commitment to you:

- Competitive starting salary of \$50,000 - \$65,000 depending on experience
- Flexible health care spending account
- Safety Gear and site equipment allowances
- Company team bonding events – fishing, boating, barbeques, lunches
- Training and continued education allowance
- Competitive compensation with year-end bonuses.

### How to Apply:

Please send your resume and a brief cover letter telling us why you'd like to join Valley Geotechnical to Brad at [general@valleygeo.ca](mailto:general@valleygeo.ca) We're excited to help you launch your career!

Valley Geotechnical would like to thank all applicants for expressed interest in our firm; however, only candidates considered for an interview will be contacted.
